WAGE FREEZE SURVEY

RECEs & Early Years Professionals, we want to hear from YOU

The 2027 Ontario Child Care and Early Years Funding Guidelines (released by the Ministry of Education in late October) include a **freeze on the wage floor** for RECEs working in CWELCC-funded programs, **a freeze on Provincial Wage Enhancement** eligibility ceiling, and the **cancellation of yearly wage increases**.

In order to fully understand the impact of this funding update and develop a policy response that reflects the needs of the sector, the AECEO & OCBCC are asking **ECE professionals from across early learning & child care settings** to share their perspective on the wage freeze and their thoughts about staying in the sector long term.
